The Loan Company
John Lloyd, President

Dear John,

It's been a pleasure working with yourself and Darcy this past year!
You quickly helped me pay off my construction loan in Coronado while we market our last condominium.

You also made it possible for me to move quickly on a "fixer" deal I was competing for with five other buyers. I won, and couldn't have done it without your help. You guys have been great!

Thanks so much,

Alec MacKenzie
