To whom it may concern:

I have been in the Real – Estate business for over 25 years and I have to say the experience at The Loan Company has rated right at the top of my list. The people are helpful, courteous and knowledgeable to say the least. We are in unprecedented times when it comes to the economy and lending. Banks that I have had 15 year relationships with could not get the deals done that the Loan Company had no problem with. They were fast and efficient when I needed deals done quickly and accurately. I look forward to a long and prosperous relationship. A special thanks to John Lloyd & Kevin Moore for there diligent and efficient service.

I would give The Loan Company a strong recommendation to any one looking for alternative financing!
