Dear John & Darcy,

I want to thank you for securing my loan on 1195 Branding Iron. I have done two loans with you and plan on continuing to use your company for more. I cannot express how easy it was to work with you and your company. Your company does exactly what they say; you didn't put me through a lot of unnecessary work just to turn me down. I couldn't recommend a better company and staff to work with within this difficult lending environment.

Sincerely,
